Message from Inspector Symonds

To work alongside the Response Team (who deal with 999 / 101 calls for service) and the Safer Neighbourhood Team (who deal with local, problem solving / engagement); we are in the process of recruiting a Neighbourhood Policing Team– who will work proactively to reduce crime in your area. I welcome this change and an extra team to tackle the issues that impact you the most and will keep you posted about their work in the months to come.

I would like to highlight a spike in vehicle damages across the area and issue a reminder to keep any valuables out of sight and park in a well-lit area, if possible. We rely on the support of our communities to remain vigilant and welcome you to report any suspicious activity.

This month we held Street Surgeries in your area and were pleased to meet some of you. I hope to see you at our Public Meeting in Diss on 17th June – or you can follow our progress on Twitter @SouthNorfPolice

What is happening in your area

Message from your Beat Manager Pc Richards

I have assisted with an arrest in Pulham St Mary whereby the suspect was charged and remanded for firearms offences. Vehicle stopped near Harleston Primary School for having no MOT or insurance. Driver reported for those offences and car seized. Second vehicle stopped for having no MOT, driver reported. I have been conducting housing checks on the back of information received from the public. Enquiries are ongoing. Attended Diss Carnival where we had a stall and police vehicles for members of the public to look at. An excellent day had by all. My proactive patrols continue in and around Harleston where intelligence is gathered to build the picture on what is happening in my area.
