## “Northern Lights”- Renaissance 1978

Mull of Kintyre, oh mist rolling in from the sea  
My desire is always to be here  
Oh, Mull of Kintyre

Far have I travelled and much have I seen  
Dark distant mountains with valleys of green  
Past painted deserts, the sun sets on fire  
As he carries me home to the Mull of Kintyre

Mull of Kintyre, oh mist rolling in from the sea  
My desire is always to be here  
Oh, Mull of Kintyre

'Cause tonight for the first time (first time)

Just about half-past ten (half past ten)

For the first time in history

It's gonna start raining men (start raining men)

It's raining men, hallelujah, it's raining men, amen

I'm gonna go out to run and let myself get

Absolutely soaking wet

It's raining men, hallelujah

It's raining men, every specimen

Tall, blonde, dark and lean

Rough and tough and strong and mean

**When you walk through a storm, hold your head up high  
And don't be afraid of the dark**

**At the end of a storm, there's a golden sky  
And the sweet silver song of a lark**

**Walk on through the wind, walk on through the rain
